Olympic Games Pharmacy Guide

Drug Information

The information in this guide is based on Japanese licensed drug indications and has been adapted from either approved package inserts of each product or “Kusuri-no-Shiori”, both of which are information sheets made by each pharmaceutical company. 

For more comprehensive prescribing and drug information for each medication presented in this Pharmacy Guide, please refer to the complete package inserts available in Japanese online at Pharmaceuticals and Medical Devices Agency (PMDA). 

<http://www.pmda.go.jp/PmdaSearch/iyakuSearch/>

For further information in English, please refer to “Kusuri-no-Shiori”, which is a drug information sheet written in English informed by RAD-AR Council Japan. The complete current edition of “Kusuri-no-Shiori” is available online.
